Chapter 7. Transportation Costs

IC 20-9.1-7-1

Transportation cost; certain parochial school students; no charge

Sec. 1. Transportation Costs, Certain Parochial School Students, No Charge. When school children who are attending a parochial school in any school corporation reside on or along the highway constituting the regular route of a public school bus, the governing body of the school corporation shall provide transportation for them on the school bus. This transportation shall be from their homes, or from some point on the regular route nearest or most easily accessible to their homes, to and from the parochial school or to and from the point on the regular route which is nearest or most easily accessible to the parochial school.

(Formerly: Acts 1973, P.L.218, SEC.2.)

IC 20-9.1-7-2

Transportation cost; children living on state owned property

Sec. 2. Transportation Costs; Children Living on State Owned Property. All school children who reside on state-owned property and attend any public school away from their residence shall be furnished transportation in public school buses to and from their residence and the school they attend. Expenses for this transportation shall be paid out of the general fund of the state, without further appropriation, on allowance by the state superintendent of public instruction. However, this section shall not apply to school children who reside on property owned by Indiana University, Purdue University, Ball State University or Indiana State University.

(Formerly: Acts 1973, P.L.218, SEC.2.)

IC 20-9.1-7-3

Transportation cost; certain high school pupils

Sec. 3. Transportation Costs; Certain High School Pupils. Where a school corporation does not maintain or operate a high school and any or all of the high school pupils who reside in that corporation are transferred to attend a high school in a contiguous school corporation, the governing bodies of the school corporations may enter into an agreement for the transportation of these pupils. The agreement shall specify that the transportation shall be provided by the receiving corporation and that the costs of transportation shall be paid by losing corporation out of its special school funds. The costs of transportation shall be calculated from the per capita cost for each pupil transported, and shall be mutually agreed upon both governing bodies. Payment of transportation charges shall be made at the same time and in the same manner as payments of transfer tuition are made for transferred pupils.

(Formerly: Acts 1973, P.L.218, SEC.2.)

IC 20-9.1-7-4

Transportation cost; contracts

Sec. 4. Transportation Costs; Contracts. The governing body of a school corporation which transfers any school children to another school corporation may contract with the receiving corporation for the furnishing of transportation costs for the transferred children.
